This Association is the largest, oldest and most successful Mutual Insurance Association in California and the majority of its members are in and near San Francisco where it is best known. It now confines its Agencies to the Pacific Coast. The wisdom of this act is shown by the strenuous efforts made by the Eastern companies for California business, recognizing as they do, the necessity of equalizing the extra death rate elsewhere caused by climatic conditions. "An insurance company that reaches too far is liable to disasters common to the merchant who spreads his business over all Creation."

this powerful, purifying, and invigorating medi-

cine. Great Eruptions rapidly heal un-

der its benign influence. Especially has it man-

ifested its potency in curing Tetter, Rose Rash,

CONSUMPTION,

which is Scrofulous Disease of the Lungs,

is promptly and certainly arrested and cured by

this God-given remedy, if taken before the last

stages of the disease are reached. From its won-

derful power over this terribly fatal disease when

first offering this now celebrated remedy to the

public, Dr. Pierce thought seriously of calling it

his "Consumption Cure," but abandoned

that name as too limited for a medicine which,

from its wonderful combination of tonic, or

strengthening alternative, or blood-cleansing, anti-

scrofulous, pectoral, and nutritive properties, is

unequaled, not only as a remedy for consumption

of the lungs, but for all

In many cases only part of these symptoms are

experienced. As a remedy for all such cases,

Dr. Pierce's Golden Medical Discovery
